MEMORANDUM

TO: Tribal Department Directors
Tribal Program Directors
Administrative Office Supervisors
Tribal Government Employees

FROM: Tribal Chief Cyrus Ben

DATE: June 19, 2020

RE: CONTINUED LIMITED OPERATIONS OF NON–ESSENTIAL TRIBAL GOVERNMENT OFFICES

This memorandum follows the last memo on this subject of June 12, 2020, regarding the Essential Government Operations in Executive Order 2020-04. Due to the continued presence of confirmed COVID-19 cases in our area, this memo continues the limited operations of most Tribal Government departments, programs and offices until Monday, June 29, 2020, at 8:00 a.m.

All Tribal Department Directors and Program Directors are requested to stay in communication with all employees they supervise to provide updates; employees should be prepared if requested by their supervisor to return to work on short notice as we begin focusing on restoring services in select programs. We are closely following all Public Health Safety precautions to help ensure everyone's safety, including the mandatory wearing of facial covering and social distancing, which will be strictly enforced in all Tribal Departments and Programs.

Please continue to watch MBCI announcements and social media postings regarding further details. Yakoki.
