Deaths by Month

Total COVID-related deaths as of August 26, 2020:
77
We’re All In this Together, This is What You Can Do

- **Wear a Mask** — Face coverings can reduce the risk of COVID-19 spread to others.
- **Social Distancing** — Maintain plenty of distance between yourself & others.
- **Handwashing** — Wash your hands frequently and thoroughly for at least 20 seconds.
- **Stay Home** — If you are sick, stay home, call a doctor or healthcare provider on how to visit them safely.

**RECOVERED vs ACTIVE PER COMMUNITY**

17 Active Pts

**COVID-19 POSITIVE BY AGE GROUP**

**TOTAL ANTIBODY TESTING**

Detects both IgM and IgG antibodies and thus may be used to identify both current and past infections.

Of the 26 positives, 24 had originally been tested and received positive results.
COVID-19 Deaths Per Community

- 63 Deaths CHC COVID Tested
- 14 Deaths Other Facility COVID Tested
- 77 Total Deaths

Stand Together
By Staying Apart

Test to diagnose cases
Trace to identify cases & their contacts
Treat to provide supportive care in symptomatic patients
