CHAPTER 4. PER CAPITA PAYMENTS FROM GAMING REVENUES

§15-4-1 Purpose

(1) It is the policy of the Mississippi Band of Choctaw Indians that a portion of the net Tribal proceeds from net revenues of Class II and Class III gaming shall be used to improve the standard of living of the Choctaw people at the two times of year when extra income is most needed: the holiday season in December and the time of the Choctaw Indian Fair and the beginning of the school year in July. To this end, the Tribal government shall distribute funds deriving from the net proceeds of IGRA Class II and Class III gaming on the Mississippi Choctaw Indian Reservation during those two (2) months of the year. Nothing contained herein shall be construed to create a property or vested right of any kind or character, nor shall any payment or failure of payment in any amount create in any person any right or cause of action of any kind of character; nor shall anyone have any claim to a distribution check more than six (6) months after the time of the distribution.

(2) Non-Tribal general creditors are prohibited in whole or in part from garnishing the per capita distribution checks of the Mississippi Band of Choctaw Indians member. The only exceptions to this prohibition on garnishing per capita distribution checks shall be any Order of Support by the Tribal Court, an order of garnishment by the Choctaw Tribal Court on behalf of a Tribal Government Agency; any written agreement between a member of the Tribe and a Tribal agency calling for garnishment of per capita distributions to repay debt; or any order of any court of the United States having jurisdiction over cases under Chapter 13 of Title II or for any debt due for any state and federal tax required by federal law.

(5) “Year” means, unless otherwise modified, the calendar year.
§15-4-3  Gaming Revenues

(1) On or before September 30 of each year, the Chief shall submit to the Tribal Council an estimate of net Tribal proceeds from net revenues of Class II and Class III gaming on the Mississippi Choctaw Indian Reservation for the fiscal year, based upon unaudited financial reports from gaming enterprises, which the Tribal Council shall take into consideration as it prepares its budget for the coming fiscal year.

(2) Taking into account the amount of distribution and any projected increases in Tribal membership, the Council shall reserve in its budgeting the total needed for distribution in the following July and in the December more than one (1) year hence.
