

CHC PHARMACY PUBLIC NOTICE

IMPORTANT UPDATE 03/26/2020

Choctaw Health Center Pharmacy Department announces the implementation of the following temporary changes to services in order to maximize the safety of our patients and healthcare providers:

- CHC pharmacy waiting room will be closed until further notice.
- All visits to the pharmacy will be directed to our temporary drive through service located on the North side of hospital.
- ALL REFILL REQUESTS: only available weekdays Monday through Friday 8:00AM to 5:00 PM. We ask that all patients allow 24 hours for processing of your medication refill request.
- New medications ordered by your health care provider or during a visit to the emergency room will be filled the same day during normal business hours. Please call 601-389-4330 to notify us that you are coming to the drive through so we may have your prescriptions filled in a timely manner.
- Weekend hours of operation will be 9:00AM to 1:00PM in order to fill prescription orders from emergency room visits and prescriptions from outside providers.
- If you are not in a vehicle or you ride Transit, please call 601-389-4330 and we will direct you where to go to pick up your prescriptions.
- In order to help reduce the spread of coronavirus, please remain in your vehicle when coming through the drive through pharmacy area to pick up your prescriptions.
