## **DIABETES CLINIC NOTICE**

Due to the safety and health precautions of our clients, staff, and the general public, the CHC Diabetes Clinic is suspending all office appointments and visits effective Friday, March 27, 2020 until further notice.

Please read instructions below for Diabetes Clinic temporary process for service changes:

### **FOR DIABETIC MEDICATION REFILLS:**

Diabetes patients may call the clinic at 601-389-4370, Monday-Friday during regular business hours and make your request with a staff member. Physician will review your record and order your medications to be picked up at the temporary Pharmacy drive-through area. Please look for the onsite yellow Pharmacy signs and follow the protocol.

### **FOR DIABETIC SUPPLIES:**

1. Diabetic patients requesting supplies from the CHC Diabetes Clinic must first call the Diabetes Care Clinic at 601-389-4370, Monday-Friday during regular business hours and place the request with a staff member.
2. Diabetes Clinic staff will be stationed at the front entrance of the hospital to distribute diabetic supplies.
3. Patients will be able to drive through and pick up diabetic supplies.

**Patients in outlying tribal communities:** Please call the Diabetes Clinic at 601-389-4370 during regular business hours to order supplies and get updates regarding Diabetic supplies delivery process and pick-up locations in each tribal community.

Thank you for your patience during this time as we take all precautionary measures to help prevent the transmission of the Coronavirus (COVID-19) Disease.
